

Anand Utsav Kapoor

✉ anand.kapoor@ugent.be 📍 Ghent, Belgium 🌐 [anandutsavkapoor](#)

Experience

- | | |
|--|----------------|
| Ghent University , Postdoctoral Researcher | Ghent, Belgium |
| • Radiative transfer modeling of ionized gas emission in SKIRT | 2023 – present |
| • Galaxy morphology with Euclid Early Release Observations (Perseus cluster) | 3 years |

Education

- | | |
|--|----------------|
| Ghent University , Astrophysics | Ghent, Belgium |
| • Thesis: Realistic multi-wavelength mock observations for the Auriga cosmological simulations | 2019 – 2023 |
| • Developed TODDLERS — a UV-to-mm emission library for star-forming regions in SKIRT | |
