

Anand Utsav Kapoor

✉ anand.kapoor@ugent.be 📍 Ghent, Belgium 🌐 [anandutsavkapoor](https://github.com/anandutsavkapoor)

Experience

Ghent University , Postdoctoral Researcher	Ghent, Belgium
• Radiative transfer modeling of ionized gas emission in SKIRT	2023 – present
• Galaxy morphology with Euclid Early Release Observations (Perseus cluster)	3 years

Education

Ghent University , Astrophysics	Ghent, Belgium
• Thesis: Realistic multi-wavelength mock observations for the Auriga cosmological simulations	2019 – 2023
• Developed TODDLERS — a UV-to-mm emission library for star-forming regions in SKIRT
